Previous dance experience is not necessary ... bring yourself, comfortable clothes and bare feet.

## bollywood language and culture

Informal bi-weekly class

\$5 donation

Sun. 5-6 p.m. beginning June 13  
(no class July 10)

Enjoy Hindi movies and Bollywood style dancing more fully ... learn some spoken Hindi! We'll also focus on learning some of the cultural bits that make watching a Bollywood dance or movie more enriching. Each bi-weekly session we'll focus on one or two Bollywood "music videos" to use as a vehicle for exploring the language and gaining a vocabulary. For those who are interested in studying the language more seriously, supplementary information and materials will be provided via e-mail—private lessons are also an option.

Classes held at Space For Movement Studio  
410 2nd Avenue  
Downtown Fairbanks
